Wood Dalling Parish Council

Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor's report

On the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the council:

A. We were required to return the Annual Return to enable the Council to correct errors in Section 2 relating to fixed assets at box 9:

- The 2014/15 figure was initially incorrect for both years due to a transposition error.
- The 2015/16 figure omitted purchases during the year.

In future the Council should ensure that the Annual Return is accurate and complete before approval and submission.

B. The initial bank reconciliation in support of Section 2 did not reconcile because not all bank accounts were shown on the cash book side and the cash book date was incorrect. A corrected bank reconciliation was provided upon request. The Council should ensure that bank reconciliations are fully and accurately completed in future.
