### Summary of Recommendations:

Risk assessments and internal controls should be reviewed annually. The documents on the website are undated but are adequate, the addition of a review date would be helpful.

The Town House is insured for just over £192,000, if it has not been done recently I would recommend that an insurance valuation is carried out, as underinsurance could result in a reduction in the percentage paid out in the event of a claim.

The Council should set a General Reserve Policy, setting a general reserve of between three and twelve months revenue expenditure depending on the size of the Council. Guidance is available at item 5.32 of the Practitioners Guide 2020.

The Council should upload an Accessibility Statement to the website as part of the WCAG 2.1 accessible website requirements.

### Observations

The annual financial documents published on the website are poor image quality and can't be read easily.

The Council had a PAYE liability due to HMRC of £175.80. No payments have been made to HMRC in the year as the account was in credit, however once this is exhausted, payments should be made.

The last published minutes on the website are the draft January 2023 meeting; the last published agenda is March 2023. Under the Transparency Code minutes should be published (in draft format) within 28 days of a meeting. There has been no published documents for May 2023, when the meeting should have taken place by Tuesday 23<sup>rd</sup> May 2023.

The address registered with the Information Commissioners Office is a Mulbarton address, the Clerk should check and update this.

I would like to thank the Clerk for a well presented set of accounts and audit documents.
